A large representation of the Women's Missionary Society of First Lutheran Church plan to attend the eleventh biennial convention of the Women's Missionary Federation of the American Lutheran Church to be held in Long Beach Municipal Auditorium October 24-27. This is the first convention of this group to be held west of the Rockies.

The Missionary Federation is composed of 1500 societies in the United States and Canada (two in Canada) with its headquarters in Columbus, Ohio. Dr. Katharine Lehman is president. Up to this date 950 delegates and visitors have registered for the convention. The Torrance society will be represented by the president, Mrs. Charles Clayton and by Mrs. H. P. Nelson, delegate. A number of the Torrance women will act as ushers at the sessions.

Dr. Konrad Kooman, president of the California District of the American Lutheran Church, will open the convention and will also be one of the speakers. Musical numbers will be given by the a cappella choir of Long Beach City College, violin choir from Women's Symphony of Long Beach, Lutheran Choral Union and St. Luke's boy choir, Thursday evening, October 26, there will be a banquet in the Marine Room of the Wilton Hotel honoring the president, Dr. Katharine Lehman.

**AUDIOMETER TEST** . . . Pictured at the Assistance League clubhouse where she is being given a hearing test, is Shirley Ann Herman, 6 Mrs. A. W. Warnock, League member, takes down the record as Mrs. A. W. Warnock, chairman, right, gives test.

## Hearing Tests to Begin 6th

November 6 marks the opening date of hearing tests to be sponsored by the Assistance League of San Pedro in the clubhouse, 1441 W. 8th street. Conducted by Miss Delight Rice, consultant, Conservation of Hearing for the Pre-School Child from the Metropolitan Los Angeles, the tests are open to children ages

3 to 8 years, from the harbor area including Torrance, Lomita, Harbor City, Wilmington and San Pedro. Tests are painless, free of charge, and cause no after-effects. They will be given the entire week beginning Nov. 6 between the hours of 9 to 12 a.m. and 1 to 4 p.m.

Appointments may be made by phoning the League club-

house, Terminal 2-8088, any time from 10 a.m. to 5 p.m.

Mrs. A. W. Warnock and Orvel Brown, co-chairmen, stress the fact that "Children become progressively hard of hearing at an early age. If the defect can be detected during the early stages, it can be cured. Children known to be deaf are easily discovered. We are looking for the children not suspected of being deaf."

Alone for the first time in a city...and no one to meet her. Then teen-age Jane, nearly in tears, saw a telephone.

## THE DAY JANE DAWSON NEEDED A FRIEND (And found Telephone Operator 11)

1. One of the first calls Operator 11 handled that quiet Sunday was from a public telephone in Union Station. "I missed my train connection and I've just got to reach my brother Mike," said a small voice. "He's with the Navy in Port City but I don't know how to call him." Operator 11 had heard such voices before. And as she said, "We'll find him," she was ringing an operator forty miles away.

2. Didn't take Mike long to reach his sister after he'd been paged at the Port City station where he was nervously waiting. After he'd picked her up, Jane said, "That operator was so understanding. I don't know what I would have done." And later on her mother thanked Operator 11 in a letter to us which ended... "and I'd like to pin a medal on her. I'll never meet that operator. But she is our friend."

3. An unusual story? Not at all. We get many letters telling how our operators do their best to get the call through...no matter what. And we hear good reports about our linemen, installers, service representatives and others who meet the public directly. We like to receive these letters. For they tell us that you recognize "the spirit of service"...so much a part of telephone work...so important in making your telephone ever more valuable to you.
